

COVID-19 RECREATIONAL UPDATE

Dear Members,

As you may be aware, the NSW Government has today announced an extension to Public Health Orders until 11:59pm on Friday 16th July 2021. Unfortunately, this means that Bunnerong Gymnastics will remain closed for classes on Week 1 of Term 3.

All current members who had already re-enrolled for Term 3, will have Week 1 sessions credited onto their Bunnerong Gymnastics' account. This credit will be available for future gymnastics class use in 2021.

For those current members who have not yet re-enrolled, we hope to recommence taking re-enrollments on Monday 19th July 2021 once we re-open.

Unfortunately, at this stage we do not have an understanding of what the restrictions may be when NSW comes out of lockdown and what this will mean for indoor recreation. Hopefully we will receive clarity on this in the coming few days when the NSW Premier announces the roadmap out of lockdown.

Bunnerong Gymnastics' Office is currently closed, however, if you have an urgent Covid related enquiry, please call or text our Covid Line on 0434 324 540. For all other enquiries, please email info@bunneronggym.com.au and we will aim to get back to you as soon as possible.

We understand how difficult it is for our gymnasts that are currently in self-isolation or just stuck at home due to lockdown. To try and lift the spirits of our community, we will send out Version 2 of our Positivity Newsletter complete with home workouts and fun challenges to keep gymnasts occupied during this closure. Please check your email for this tomorrow.

Again, we thank you for your continued support, patience and understanding during this difficult time. Without our members, we would not have a Club. We look forward to seeing you all back in the gym soon.

Kind Regards,

Stephanie Randall

Operations Manager

Bunnerong Gymnastics Association Inc.
